Subject: In re Application of G+ Communications LLC For 28 U.S.C. § 1782 Discovery From Samsung Electronics America, Inc.

Melissa,

Yesterday, G+ Communications LLC filed an application For an Order Pursuant To 28 U.S.C. § 1782 to Conduct Discovery for Use in a Foreign Proceeding. Specifically, G+ Communications is seeking discovery from Samsung Electronics America, Inc. for use in litigation in Brazil between G+ Communications and Samsung Eletrônica Da Amazônia LTDA. In response to that application, the Court has directed G+ Communications to serve Samsung Electronics America, Inc. with copies of the application and supporting documents and to inform the Court once that service has been effected. Accordingly, please find copies of those documents attached and confirm that you will accept service on behalf of Samsung Electronics America, Inc.

Best,
Dan
